## Warranty Parts

Qty	Part Number	Description

### **Parts Return:**

Only parts that have become defective within the applicable warranty period are to be submitted for warranty consideration.

The following parts must be returned with the warranty claim for credit consideration.

**Do not disassemble parts when returning for warranty. Any parts returned that have been disassembled will be denied**

Part No.	Part Description
all numbers	Drive components, Gearbox, Electric Clutch, Electric Actuator
all parts	Kubota Engine Parts (Fuel Solenoids, KU Parts)

Other defective parts are to be tagged with a warranty claim number and held for return request or disposal when warranty claim has been processed.
